

## **JR A Pre Season Camp**

The Fall Pre-Tryout Camp is perfect for players looking to get ready for tryouts and their season. Our already successful Fall Camp is full every year for a reason. We focus on what the evaluators are looking for in tryouts making sure the player is 100% prepared.

**CAMP WILL FILL UP FAST!**

There are 3 main reasons why our Pre-Tryout Camp has been so successful at preparing players for tryouts:

- **Improved Skills and Improved Confidence.**  
We run high tempo skill drills giving players the proper instruction and motivation.
- **We get you in Game Shape.**  
Players are pushed to give an all out effort daily with hockey specific drills preparing them to play strong throughout the entire tryout process.
- **Improved Compete Level!**  
Players will be taught what it takes and how to be successful in winning the on-ice battles.
